# ABOUT COMPANY

Our core mission is to drive progress, innovation, and sustainability in these pivotal industries. We are dedicated to ensuring a consistent and reliable supply of energy resources and industrial materials, essential for powering the growth and prosperity of Saudi Arabia.

At Zadcom Company, we are guided by a steadfast commitment to excellence. Our core values of quality, safety, sustainability, and customer satisfaction underpin every facet of our operations.

What sets us apart is our unwavering dedication to quality. We relentlessly strive to deliver the highest quality products and services to ensure the utmost satisfaction of our clients. Safety is paramount in everything we do, and we maintain stringent protocols to safeguard our employees, customers, and the environment. Our commitment to sustainability is reflected in our active pursuit of eco-friendly solutions in our services and products. We value our customers as our most cherished partners, and our team works tirelessly to not only meet but exceed their expectations.

Our global reach extends to partnerships with reputable manufacturers across the United States, Europe, and Asia, guaranteeing access to top-quality products. Zadcom Company is committed to excellence, innovation, and sustainable progress, and we invite you to join us on this journey as we shape a brighter and more prosperous future for Saudi Arabia.

# OUR SERVICE

Zadcom Company specializes in a comprehensive range of services, including petroleum product reselling, efficient fuel delivery, innovative fuel management solutions, streamlined transportation, Industrial Material Supply and comprehensive scrap management.

**PETROLEUM PRODUCTS RESELLING:** Zadcom excels in the reselling of petroleum products, including crude oil, refined petroleum products, natural gases, and used oils. We cater to the diverse needs of our clients, providing high-quality products and competitive pricing.

**LUBRICANTS RESELLING:** Our specialized service in reselling lubricants assures the availability of high-quality lubrication solutions, encompassing various renowned brands, to support optimal performance.

**FUEL MANAGEMENT SOLUTIONS:** Our innovative fuel management solutions help organizations optimize their fuel consumption, reduce costs, and enhance operational efficiency. We provide advanced technology and expert guidance to manage your fuel assets effectively.

**TRANSPORTATION AND LOGISTICS:** Zadcom specializes in the safe and efficient transportation of petroleum products, gases, goods, and heavy equipment. Our fleet and logistics expertise ensure seamless supply chain solutions.

**SCRAP MANAGEMENT:** We are committed to environmental sustainability through our scrap management services. Zadcom engages in wholesale scrap and materials for recycling, offering comprehensive solutions from collection and classification to detailing, stripping, storage, and delivery.

At Zadcom, our Industrial Material Supply division is a cornerstone of our commitment to comprehensive service delivery. We offer an extensive range of industrial products, sourced from reputable manufacturers worldwide, to meet the diverse needs of our clients across the Kingdom of Saudi Arabia.

**ELECTRICAL PRODUCTS:** Our electrical product offerings encompass a wide spectrum, including cables, switches, panels, and other essential components necessary for electrical installations.

**INDUSTRIAL TOOLS:** Zadcom provides a comprehensive selection of industrial tools, from hand tools to heavy machinery, that cater to the demands of various industries. Our tools are sourced for their quality and durability, empowering businesses to tackle projects with confidence.

**SAFETY ITEMS:** We supply a comprehensive range of safety items, including personal protective equipment (PPE), safety gear, signage, and safety protocols to create a secure work environment. Ensuring the well-being of your workforce is a top priority for us.

**INSTRUMENTATION MATERIALS:** For precise measurement and control in industrial processes, our instrumentation materials are unmatched. This category includes sensors, meters, and other instrumentation components vital for maintaining quality and efficiency in various industrial applications.

**TELECOMMUNICATION MATERIALS:** We provide the latest telecommunication materials and equipment. From networking infrastructure to communication devices, our offerings support seamless communication and connectivity solutions for businesses.

**POWER LINE PRODUCTS:** Zadcom offers a range of power line products, including cables, transformers, and substation equipment, to ensure the reliable delivery of electricity.
